

Washington, DC -- U.S. Rep. Michael A. Arcuri (NY-24) issued the following statement regarding the nomination of U.S. Rep. John McHugh (NY-23) as Secretary of the Army.

“I am delighted that my colleague John McHugh has been nominated for such a high honor by the Obama Administration. Congressman McHugh has been a great steward for the soldiers at Ft. Drum and the entire North Country region during his career in Congress. As a veteran, Congressman McHugh understands the issues facing the Army and all of our Armed Services today. I am glad that President Obama has recognized what we in New York already know, that Congressman McHugh is an outstanding public servant who serves the people of New York honorably. I offer my full support to Congressman McHugh as he enters the nomination process and look forward to my continued work with him in the future.”
